

MeL Databases for Teens

(Grades 7 – 12)

Presented By

Christine Johnson, MeL Trainer

Sponsor: Michigan Library Consortium

Teens have diverse information needs, both personal and academic. In this hands-on class, you will learn how to search several databases that are great for students from middle school through high school. You will also become familiar with two resources for classroom educators.

Thursday, April 16, 2009 1 pm – 4 pm eastern
